

Asking your views on supporting neurodiversity in cyber

CREST. Representing the technical information security industry

Online Neurodiversity Workshop

We would be grateful if you could use this workbook to record your notes related to the online Neurodiversity Workshop on the CREST YouTube Chanel: <https://youtu.be/nzuFFpeGELo>

All contributions will be in the strictest confidence and used only to help CREST to put together its action-focused report.

Please return to marketing@crest-approved.org

If you have any questions please contact Allie Andrews: allie.andrews@crest-approved.org or you can call her on 07940 452710

Call for contributions 1 – Recruitment

Please consider dyslexia, dyspraxia, autism, Asperger's, and ADHD

- How can we make the recruitment process better?
- How can we encourage more people to join the industry?

NOTES

Call for contributions 2 - Improving the workplace

Please consider dyslexia, dyspraxia, autism, Asperger's, and ADHD

How can we improve these things for everyone?

- Training
- Working hours
- Working environment
- What else needs to be considered?
- To declare or not to declare?
- What can an individual can ask for?

NOTES
